As far as we can remember we have been screaming for that new Serious Sam game ever since the first time we played the Serious Sam remake back in. Serious Sam is a video game series created and primarily developed by Croteam. It consists predominantly of first-person shooters. The series follows the viewpoint of an unnamed protagonist.[2][3] The majority of Croteam's games take place in the fictional Citadel, a large city built as a fortress against the forces of the dreaded Kalmady Empire. The Citadel is guarded by a powerful defensive shield, built by the alien extraterrestrials who created humanity.[4] The shield lies between the Citadel and the Kalmady Empire, which threatens the safety of the Citadel.[5] Serious Sam: The First Encounter - The Cutting Room Floor: Combat is a video game modification developed by Croteam for Serious Sam: The First Encounter. It includes new levels and weapons. In December 2006, Serious Sam: The First Encounter - The Cutting Room Floor: Combat was released on Steam.[6][7] Some of the content of this video is generated by / written by "The
