## An Easter Poem

by Xhana Lopez

---

Easter is very special to me,  
It expresses everything I can be.  
Easter is not all about eggs and bunnies  
But about having a good time and being funny.  
Easter is very special to me  
Because I take my confirmation.  
But I also learn about the Lord  
who did not fight with a sword  
But our Lord, he died for our sins.  
He showed me the way, the truth and the light  
and not to fight.  
But following and calling upon his name  
puts the people who don't believe in Him to shame.  
I love Him and I will follow His way  
As I walk in His footsteps now, and every day.
