A screenshot of the PageSpeed Ninja website. The page has a white background with a light blue header. The logo "PageSpeed ninja" is in the top left. The main content area displays "Performance analysis results for: pagepipe.com". Below this, there are two rows of performance scores. The first row is for "Mobile", showing a score of 78 before and 78 after. The second row is for "Desktop", showing a score of 90 before and 92 after. Each score is inside a colored circle, and there are double-headed arrows between the "BEFORE" and "AFTER" scores. Below the scores is a teal button that says "Request Invite". At the bottom of the page, there is small text: "Designed in San Francisco. Crafted by @dripshov, @millski, @jquaker", "© 2017 Kured Ltd. All rights reserved.", "Privacy Policy and Terms of Service", and "PageSpeed Ninja is not affiliated with Google Inc."
