AutoCAD Revit Architecture Suite

AutoCAD Revit Architecture Suite 2009.1 brings maximum flexibility to competitive advantage. Combining AutoCAD software, AutoCAD Architecture software, and Revit Architecture software into a single, comprehensive package allows you to transition to building information modeling (BIM) while protecting your software, training, and design data investments. Building information modeling using Revit Architecture offers a powerful competitive advantage, while streamlining creative design work and enhancing coordination of presentations and documentation. Support ongoing work in either AutoCAD or AutoCAD Architecture while you make the switch to BIM with Revit Architecture. All at your own pace.

Building information modeling (BIM) with Revit Architecture software delivers a powerful competitive advantage.

- Work the way architects and designers think about buildings—with essential model information, not individual drawing files.
- Capture early design thinking to better support design, documentation, and construction.
- Improve your business through better-coordinated project work.

Support ongoing work in AutoCAD or AutoCAD Architecture while starting new projects in Revit Architecture.

- Gain the competitive advantage of parametric change management in Revit Architecture software while protecting your investment in existing AutoCAD software, trained personnel, and design data.
- Support current and past project work with AutoCAD and AutoCAD Architecture software.
- Transition to BIM with the right tools.

System Requirements

- Intel® Processor E 1.4 GHz or equivalent AMD Athlon processor
- Windows XP SP3 (Business, Home Premium, and Ultimate), Windows Vista 64-bit (Business, Home Premium, and Ultimate), Windows XP Home, Professional and TabletPC, SP1 or SP2, Microsoft XP Professional x64 Edition
- 1 GB RAM (2 GB RAM if no modeling is required)
- 1,280 x 1,024 monitor and display adapter capable of 24-bit color
- 1 GB free disk space
- Microsoft Mouse compatible
- Internet Explorer 6.0 or later
- Download and Installation Read DVD
